Book Before February 12th and Save!

Celebrating 20 years as the air cargo industry's premier event, the 2010 Cargo Network Services Partnership Conference will take place in Miami, Florida from Sunday, May 2nd through Tuesday, May 4th.

The 2010 conference theme, "Making Visions a Reality", will explore additional ways to challenge the status quo and build success in the complex, ever challenging US Air Cargo market.

The CNS Partnership Conference will be held at the Doral Conference Center in Miami, Florida. Test your golfing skills during the CNS Golf Tournament before plunging into two days of constructive programs.

The conference program will be first class, featuring a full day plenary session offering a wide range of topics with keynotes from airlines, forwarders and distinguished leaders.

Topics include:

- Time & Temperature
- Quality Management System
- Cargo Business Intelligence
- E-freight
- Sustainability
- Secure Freight
- Ground Handling
- Customs
- TSA
- Homeland Security

Start making your travel plans to Miami. Register before February 12th and save \$100.

CNS is proud to offer discounted airfare to Miami courtesy of American Airlines. More information can be found upon registration.
