JFK AIR CARGO ASSOCIATION NEWS

For Immediate Release

JFK Air Cargo EXPO 2010 Venue & Speakers

*The JFK Air Cargo Association has finalized the venue and speakers for the upcoming **JFK Air Cargo EXPO 2010** event being held on **Thursday, March 4, 2010** at Russo's on the Bay in nearby Howard Beach. The theme of this year's annual event is "**Recovery, Challenges, and Strategies**" and will feature prominent executives from key segments of the air cargo industry. With escalating EXPO attendance year-over-year coupled with a top class venue, the JFK Air Cargo Association continues to raise the bar on this most attractive and worthwhile industry event.*

Opening remarks will be given by PANYNJ's Mr. Jerry Spampanato, GM of John F. Kennedy Intl. Airport, followed by a panel of top industry professionals that will focus on the operational and commercial impacts of security. Panelists include James LoBello, Head of Security, the Americas, Lufthansa Cargo AG, Charles Morton, V.P. Area Security Manager USA, Panalpina, Inc., and a TSA Headquarters representative. Dan Muscatello, Managing Director of Cargo &

Logistics for Landrum & Brown, will moderate.

The exhibition portion of the event continues to grow in popularity with over 4 exhibitors from all segments of the industry displaying their products and services. Typically sold-out well in advance, the EXPO exhibition provides direct face-to-face interaction and networking with airline, freight forwarder, and other air cargo industry key decision-makers in a dedicated and focused environment. JFK Air Cargo Expo sponsorship opportunities continue to provide organizations with an attractive and cost-effective way of marketing a organization's goods, services, and brand image to air cargo industry key decision-makers.

*The EXPO culminates with the EXPO Luncheon featuring keynote speaker **Mr Brian P. Clancy, Managing Director of MergeGlobal, Inc.** A highly regarded strategic consultant in our industry, Brian will provide an industry outlook and discuss the issues and dynamics that may affect our industry on both a global and local basis. For more information, go to www.jfkaircargo.org.*

The JFK Air Cargo Association is a non-profit organization and an industry leader in the promotion of air cargo. Any proceeds from this event go to scholarship programs at area Colleges and Universities which offer air cargo industry-related academic programs.
